2. The screening committee accepts the report with minor changes.
3. The screening committee requests that faculty make changes and submit a second draft for their review within an agreed upon timeframe.

Report for October 21, 2013

On Friday, October 18, the MVC Screening Committee reviewed submitted reports from the MVC Honors Program, The Dental Assistant Program, the Spanish discipline, and the Physics and Astronomy disciplines.

The next meeting will be on Friday, November 8. At that time, all reports will be reviewed and finalized in preparation for submission to the APC/Program Review Committee. The APC will review six 2013 reports at their meeting on December 12, 2013. Those that are accepted by APC will be forwarded to the District Program Review Committee for district acceptance. Only disciplines with shared courses in the curriculum are scrutinized by the district. College-specific programs are now sent to the district as information only items.
