

**Riverside Community
College District**

Career Center Services

The Career Center provides opportunities for extensive career exploration and evaluation of interests, aptitudes, skills and other characteristics related to vocational and pre-professional planning and job success. This includes:

- Career assessments
- Counseling appointments to interpret career exploration tests
- Career workshops
- Computer access to utilize Internet resources, eureka online, researching majors, writing resumes, interviewing assistance, researching occupations, labor market information, and career planning
- Guest speakers from different career fields
- Library of books and materials related to the job market, career trends, and industry/government job information
- ***And much, much more!***

**Do What You Do Best...
You Try • You Can
You Will Succeed!!
Your Choice...Your Career**
