Non-Repeatable Courses:
District policy, per State regulation, permits a student to enroll in a non-repeatable course up to three times in order to alleviate substandard academic work. Substandard grades (D, F, FW, NC, and NP) and withdrawals (W) are included in the total attempts; military withdrawals (MW) are NOT included. The most recent grade will be the grade calculated into the student’s GPA.

Repeatable Courses:
Students may not enroll in a repeatable course more than the total number of times listed in the college catalog.

Directions:
- Carefully review the grid below. Complete the Request for Course Repetition if you believe that you meet one or more of the reasons that would merit consideration. Attach all required documentation.
- Submit the Request for Course Repetition for approval to the Dean of Instruction or Division Dean at the college where you intend to repeat the course.
- If approved, take the form to the Admissions & Records Office at any RCCD college for processing.

Meeting with a counselor at your home college to review the Request for Course Repetition is strongly recommended.
