In order to apply for Credit-By-Examination the student must assess his/her level to determine the highest-level class he/she can enroll in. For Spanish, student takes the assessment test offered at the Assessment Center. Make appointment online.

Other criteria for approval: 12 units completed at MVC/RCCD, prior to submission of this form, 2.00 or above Grade Point Average, and currently enrolled at MVC/RCCD.

After enrolling in a higher-level course, the student may apply for credit for a lower level course. Student must submit this form to the Admissions office 2 weeks prior to the end of the semester and pay non-refundable fees. When student completes the higher-level course with a "C" or better and the department approves the granting of credit, student will be given credit (not a grade) for a lower level course.

Maximum credit is one class per term. Student must be enrolled at MVC/RCCD and fill out a new request for each additional course in the following terms. Requests are limited to three consecutive terms.
