- 22- Priority Registration
- 23- Other

**PLEASE READ BEFORE SIGNING**

I understand it is my responsibility to request approved services each semester and to meet with a DSP&S counselor if any changes or additional accommodations are needed. I understand that if I do not show up for requested support services two (2) times in one semester without sufficient PRIOR notice it may result in the suspension of those support services. In order to have my services reinstated I must appeal to the DSP&S Associate Dean or designee for services to be reinstated. I understand that there may be a wait (based upon availability) for reinstatement of services, even if such reinstatement is approved.
