What Are Online, Hybrid and Web-enhanced Classes?

- **Online** classes are taken exclusively over the Internet; there are no on-campus meetings required. However, some online classes require proctored exams, either on an RCCD campus or by an off-site proctor approved by the instructor. See [www.opencampus.com](http://www.opencampus.com).

- **Hybrid** classes meet both on campus and online; think of them as traditional face-to-face classes where some of the on-campus class meetings are replaced with online assignments. In a hybrid class, you will attend meetings on campus during the dates and times listed in this schedule of classes. Since the on-campus portion of hybrid classes could take place at any of our three colleges (Riverside City, Norco or Moreno Valley), hybrid classes are listed according to the campus where the on-campus meetings take place. So, for example, if you’d like to take a hybrid class at Norco, you’d look under the Norco college section of this schedule.

- **Web-Enhanced** classes are traditional face-to-face classes that are augmented with course websites. Unlike hybrid classes, all web-enhanced class meetings take place on campus. The course website is an extra value!

Are You Ready for Online Learning?

To take an online, hybrid, or web-enhanced class, here are a few things to keep in mind:

- You should have regular access to a personal computer that is connected to the Internet. Not sure whether your computer measures up? At [www.opencampus.com](http://www.opencampus.com), click on “Help” then click “Requirements Help” (near the top left, under “Help Links”).

- You should be familiar with basic computer operations: for example, using a word processing program, logging onto the Internet, using a browser, and sending e-mail.

- You should be self-disciplined and have strong study skills. It’s easier to fall behind in an online class.

- Lastly, you shouldn’t believe the myth that online or hybrid classes are “easier” than face-to-face classes. In fact, online classes cover the same material as face-to-face classes, and many students say that their online classes actually require more of their time than their face-to-face classes. Set aside a few minutes and take the Open Campus Distance Learning quiz to help you decide.

Please note: To enable online-based students to communicate more effectively with their instructors, students need to activate and use their RCCD e-mail account. Please go to [www.rcc.edu/students/email.cfm](http://www.rcc.edu/students/email.cfm) and follow the link to e-mail tutorial at [www.rcc.edu/students/emailtutorial.cfm](http://www.rcc.edu/students/emailtutorial.cfm). Personal e-mail addresses will not be used so the RCCD account is the only approved method of formal communication from RCCD to the student.

What’s An Online Class Like?

Sample an online class—go to [www.opencampus.com](http://www.opencampus.com) and click on “Online Course”. Under “Quick Links” in the left column, click on “Sample Class”. Use the information provided to log in.

The District takes student and instructor privacy seriously. When you register for an Open Campus class, the District provides students and faculty with a secure log in and password. This password is issued to and is intended for the student who has enrolled in the Open Campus course section. The password and log in are required each time the student and faculty member logs into their Open Campus course section(s). At that time, the student will affirm that he/she is the individual signing in and completing the work for his/her online courses. Finally, anti-plagiarism software is used by faculty member to ensure academic honesty.

Some online classes require proctored exams, either on an RCCD campus or an off-site proctor approved by the instructor. See [http://www.opencampus.com/online/schedule.html](http://www.opencampus.com/online/schedule.html).
