Final Examination Schedule

- Failure to report for scheduled final examinations may result in a failing grade for the course. In case of illness or other emergency, the student must report to the instructor’s office or department prior to the beginning of the examination.
- Final examinations for evening (4:30PM and later) and Saturday and Sunday classes will be held at the time and place of the regular class meeting on the following dates:
  
  **Saturday, December 8**  **Sunday, December 9**
  **Monday, December 10**  **Tuesday, December 11**  **Wednesday, December 12**  **Thursday, December 13**  **Friday, December 14**

  Classes meeting two nights per week shall use the second meeting for the final exam.

- Final Examination Schedules are specific to each college, and are to be used to determine the final examination dates for classes that are held only at that college.
- Final examination for classes shorter than a full semester will be held on the last class meeting date.
- The chart below details the final examination schedule for full-semester weekday classes. Choose the block that most closely matches the time and day the class meets, and that does not result in a conflict with other classes that are also scheduled within that same block. The date of the final examination will occasionally be scheduled on a day that the class does not normally meet. Note the start time and arrive promptly.

  For classes not on the grid or conflicts that cannot be resolved, instructors will consult the department chair and the Moreno Valley College Dean of Instruction for resolutions.

TIPS to stay ahead:

- Plan to meet with an academic counselor to develop an educational plan.
- Have personal funds to purchase your textbooks early. (Students won’t be able to get financial aid early.)
- Show up on time for classes on the first day. Don’t be late—you may be dropped.
- Purchase a parking permit before the first day of classes.
