What Are Online, Hybrid and Web-enhanced Classes?

- **Online** classes are taken exclusively over the Internet; there are no on-campus meetings required. However, some online classes require proctored exams, either on an RCCD campus or by an off-site proctor approved by the instructor.

- **Hybrid** classes meet both on-campus and online; think of them as traditional face-to-face classes where some of the on-campus class meetings are replaced with online assignments. In a hybrid class, you will attend meetings on campus during the dates and times listed in the schedule of classes. Since the on-campus portion of hybrid classes could take place at any of our three colleges (Riverside City, Norco or Moreno Valley), hybrid classes are listed according to the campus where the on-campus meetings take place. So, for example, if you'd like to take a hybrid class at Norco, you'd look under the Norco college section of this schedule.

- **Web-Enhanced** classes are traditional face-to-face classes that are augmented with course websites. Unlike hybrid classes, all web-enhanced class meetings take place on campus. The course website is an extra value!

Are You Ready for Online Learning?

To take an online, hybrid, or web-enhanced class, here are a few things to keep in mind:

1. You should have regular access to a personal computer that is connected to the Internet. Not sure whether your computer measures up? Go to [www.opencampus.com/students_canvas](http://www.opencampus.com/students_canvas) and click on the “Canvas System Requirements” link.

2. You should be familiar with basic computer operations: for example, using a word processing program, logging onto the Internet, using a browser, and sending email.

3. You should be self-disciplined and have strong study skills. It’s easier to fall behind in an online class.

4. Lastly, you shouldn’t believe the myth that online or hybrid classes are “easier” than face-to-face classes. In fact, online classes cover the same material as face-to-face classes, and many students say that their online classes actually require more of their time than their face-to-face classes. Set aside a few minutes and take the quiz below to help you decide.

Quiz: Are Online or Hybrid Classes for Me?

1. Considering my professional and personal schedule, the amount of time I have to work on an online or hybrid class is:
   - a. More than enough time for an on-campus class;
   - b. The same as for a class on campus;
   - c. Less than for a class on campus;

2. As a reader, I would classify myself as:
   - a. Good - I have no problem understanding textbook material;
   - b. Average - I sometimes need help to understand the text;
   - c. Slower than average;

3. Commuting to campus on a regular weekly schedule is:
   - a. Extremely difficult for me - I have commitments;
   - b. A little difficult, but I can rearrange my priorities for regular attendance on campus;
   - c. Easy for me;

4. When I need help understanding the subject:
   - a. I am comfortable approaching the instructor;
   - b. I am uncomfortable approaching the instructor, but I do it anyway;
   - c. I never approach an instructor to admit I don’t understand something;

5. When an instructor hands out directions for assignments, I prefer:
   - a. Figuring out the instructions myself;
   - b. Trying to follow the directions on my own, then asking for help as needed;
   - c. Having the instructions explained to me;

6. I would classify myself as someone who:
   - a. Often gets things done ahead of time;
   - b. Needs reminding to get things done on time;
   - c. Puts things off until the last minute or doesn’t complete them;

7. Holding weekly class meetings face-to-face is:
   - a. Not particularly necessary for me;
   - b. Somewhat important to me;
   - c. Very important to me;

SCORING: Are Online or hybrid classes for you? Score your responses: 3 points for each “a”, 2 points for each “b”, and 1 point for each “c”. 14 or over—Online or hybrid classes are a real possibility for you. Between 8 and 13—Online or hybrid classes may work for you, but you may need to make adjustments in your schedule and study habits to succeed. 7 or less—Online or hybrid classes may not currently be the best alternative; talk with your counselor.

Please note: To enable online-based students to communicate more effectively with their instructors, students need to activate and use their RCCD e-mail account. Personal e-mail addresses will not be used so the RCCD account is the only approved method of formal communication from RCCD to the student. For information on accessing your RCCD email account, please see page 8 in the Information Pages portion of the schedule, or go to mail.office365.com to sign in with your RCCD email address.

Our **Online and Hybrid courses** are now being taught exclusively in the Canvas learning management system (LMS). To see instructions on how to log-in, how to reach Canvas support, and to view Online student readiness tutorials, please go to the Student Page on the Distance Education Website at [www.opencampus.com/students_canvas](http://www.opencampus.com/students_canvas).

The District takes student and instructor privacy seriously. When you register for an Online or Hybrid class, the District provides students and faculty with a secure log in and password. This password is issued to and is intended for the student who has enrolled in these course sections. The password and log in are required each time the student and faculty members log into their Online or Hybrid course section(s). At that time, the student will affirm that he/she is the individual signing in and completing the work for his/her online courses. Finally, anti-plagiarism software is used by faculty members to ensure academic honesty. Some online classes require proctored exams, either at one of the RCCD colleges or by an off-site proctor approved by the instructor.
