# Moving through English, ESL and Reading

## English Composition at MVC: Choosing the Best Path for You

Every student has the right to enroll directly into English 1A without taking English 91. If you would like more information on enrolling directly into English 1A without 91, see the challenge/opt in process ([http://www.mvc.edu/academicdepts/comm/english/#challenge](http://www.mvc.edu/academicdepts/comm/english/#challenge)).

*Note: Research shows that taking even one class below college-level composition (such as English 50) will make it less likely for students to complete English 1A. However, MVC may offer sections of English 50 for students who wish to opt into this pathway. No students will be placed into English 50 automatically.*
