What are the most useful ideas, tips, or techniques you will take from today’s workshop?

- Different types of networking with some nothing being good. You achieve more when you expect nothing as an incentive.
- Do not assume facts; investigate. Not everything you see is not without more behind the scenes many times.
- You could be the author of your own demise!
- Assumptions in networking where the alligators are.
- The concept related to self awareness.
- Interpretation vs. reality.
- All
- How to network w/people in a productive manner.
- Be aware of the possibility that your interpretation of past events can influence your current awareness.
• Mistakes are guaranteed.
• Having a presence & polish our awareness = stuff to think about & use.
• To polish my awareness of people, places and things.

How will you use what you’ve learned in today’s workshop?
• I will apply thing with stds, peers and colleagues.
• Think, investigate, listen before making conclusions.
• Be more open to others interpretation of me.
• Better working relationships.
• Understanding how influences effect actions.
• Be present at the moment- do the best I can
• In communicating with student and co-workers.
• Work on better communicating.
• I’ll be more reflective & try these strategies with others.
• Work on my own energy areas.
