**Release Date:**  
August 5, 2016

## Permanent Road Closure Notification

On Monday, August 8, 2016, Plummer Road will be closed permanently from Van Buren Boulevard to 11th Street due to the development of the Meridian Business Park-South Campus. The closure of Plummer Road has been anticipated since the early design phases of Meridian Business Park complex. On Friday, August 5, 2016, contactors will begin constructing “k-rail” cement barriers and directional signage on Van Buren Boulevard and 11th Street, blocking access to Plummer Road and 12<sup>th</sup> Street.

Please review the attached map to avoid any issues in accessing the Ben Clark Training Center.

Access to BCTC will be Barton Street to Larry Parrish Parkway or Nandina Avenue to Ferguson Avenue. An access road will be constructed on 11th Street, west of Bundy Avenue, which will provide ingress/egress to the Sheriff modular buildings parking lot.
