CAREER CENTER

Career Center mission is to provide encouragement and guidance to students in their various stages of the lifelong career development process. The Career Center will offer a framework for individuals to define and achieve their educational and occupational goals, and prepare them for the diverse and changing economy.

CAREER ASSESSMENTS

Eureka is an extremely powerful, user-friendly career exploration program. Students can navigate through the EUREKA Career Guidance software to re-search: careers, job outlooks, average salaries, job descriptions and educational experience needed for certain jobs.

www.eureka.org

CA Career Café is a virtual career center for community college students. This website has great insights and tools to help students identify career direction. There are lots of videos, presentations, and activities to help students decide which career is best for you.

CAREER AND TRANSFER CENTER PROVIDES:

- Transfer counseling.
- Resource library that includes college and university catalogs, brochures and handouts.
- Computers to access internet resources.
- Transfer major sheets, listing major preparation requirements for individual institutions.
- Calendar of events for the Career and Transfer Center.
- Appointment scheduling with college and university representatives.
- UC/CSU application assistance.
- Resume/cover letter review.
- Career Assessments
- Transfer Recognition Ceremony, honoring transferring students for their hard-work, dedication and commitment to their studies.

TRANSFER CENTER

Transfer Center mission is to bring awareness of the transfer center and resources it provides in an effort to increase the number of students prepared for transfer to baccalaureate level institutions. This is accomplished through the coordination of college transfer events, workshops, and fairs with an emphasis on the preparation and transfer of underrepresented students, including disabled students, low-income students, first-generation college students, and other groups of students underrepresented in the transfer process. The Transfer Center serves as the focal point for transfer activities and is designed to strengthen the transfer pathway for all Moreno Valley College students.

TRANSFER FAIRS

Students have the opportunity to meet with various college and university representatives during the fall and spring Transfer Fair. Students will be able to collect information on tuition costs, admission requirements, application deadlines and impacted majors.

UNIVERSITY REPRESENTATIVES

Students have the opportunity to meet with CSU, UC and private university representatives. Students are encouraged to schedule an appointment or stop by the information tables.

COUNSELING

Counselors are available to meet with students (either by appointment or walk-ins). The Counsellors work collaboratively with the Career and Transfer Center to ensure that students receive up-to-date and accurate information.

Visit the Career/Transfer Center’s webpage for a calendar of events.
