Dear Dr. Steinback:

The Commission on Accreditation of Allied Health Education Programs (CAAHEP) is pleased to inform you of its vote on January 16, 2020 to award continuing accreditation to the Emergency Medical Services - Paramedic program at Moreno Valley College-Riverside Community College, Riverside, CA.

The recent peer review conducted by the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoA EMSP) and CAAHEP’s Board of Directors recognizes the program's substantial compliance with the nationally established accreditation Standards. The next comprehensive evaluation of the program, including an on-site review, is scheduled to occur no later than 2025.

The CoA EMSP will regularly monitor the program’s compliance with the outcomes assessment thresholds through the program’s Annual Report as well as other documentation that may be requested (Standard IV.B.).

In order to comply with the need for public disclosure, CAAHEP publishes on its website the accreditation award letters and accreditation actions summaries. Award letters can be found within individual program listings in the “Find An Accredited Program” section of the CAAHEP website. Accreditation actions summaries include a list of actions taken at each meeting, including accreditation statuses awarded and dates of the next reviews/comprehensive evaluations. Summaries can be found by clicking the “Recent Accreditation Actions” link on the home page of the CAAHEP website.

The accreditation standards are established by CAAHEP, CoA EMSP, American Academy of Pediatrics (AAP), American Ambulance Association (AAA), American College of Cardiology (ACC), American College of Emergency Physicians (ACEP), American College of Surgeons (ACS), American Society of Anesthesiologists (ASA), International Association of Fire Chiefs (IAFC), International Association of Fire Fighters (IAFF), National Association of Emergency Medical Technicians (NAEMT), National Association of State EMS Officials (NASEMSO), National Registry of Emergency Medical Technicians (NREMT), National Association of EMS Physicians (NAEMSP), and the National Association of EMS Educators (NAEMSE).

The commission commends you and your colleagues for your commitment to continuous quality improvement in education, as demonstrated by your participation in program accreditation.

Sincerely,

Glen Mayhew, DHSc, NRP
