

Assisting Students in Distress: **A Faculty and Staff Guide for Risk Indicators, Behavioral Response Protocol and Mental Health, Emergency and Community Referrals**

Dear Colleague,

This quick reference guide has been provided to you by Student Health and Psychological Services with funding from the CalMHSa Foundation for California Community Colleges Campus Based Grant. It is our hope that this guide will serve as a useful tool for you to provide students with the afterhours and off-campus recourses that they may need.

In this guide you will find emergency contacts and protocols, after hours off-campus counseling referrals, and helpful community and program referrals.

If you feel like a student is in immediate danger to themselves or others, please call 911 or campus police at (951) 222-8171.

If you would like training on how to recognize signs of mental health distress in students and how to effectively handle classroom problems, please go to the link below and use the enrollment key provided to access training.

www.kognitocampus.com/faculty/cc
Enrollment Key: ccc8752

For more information about services provided or mental health training opportunities please contact Student Health and Psychological Services at (951) 571-6103.

Notes

WELLNESS • RECOVERY • RESILIENCE

The California Mental Health Services Authority (CalMHSA) is an organization of county governments working to improve mental health outcomes for individuals, families and communities. Prevention and Early Intervention programs implemented by CalMHSA are funded through the voter-approved Mental Health Services Act (Prop 63). Prop. 63 provides the funding and framework needed to expand mental health services to previously underserved populations and all of California's diverse communities.

Guide designed by Riverside City College CalMHSA Grant Team. Revised by Moreno Valley College Student Health and Psychological Services. For questions please contact Moreno Valley College Student Health & Psychological Services at (951) 571-6103.
