

Scholarship Alternates

All scholarship applications will remain active during the 2018-2019 academic year. Should a new scholarship become available or a recipient becomes ineligible, a current applicant in good standing may be considered for the scholarship. If additional scholarships are made available through the Riverside Community College District Foundation or other donating organizations after the application deadline of January 12, 2018, your application will be screened for eligibility; therefore, you may be the recipient of a scholarship for which you did not previously apply.

After the fall semester, the units completed and the current cumulative GPA are reviewed for all recipients of continuing scholarships. If you, as a recipient of a scholarship, do not meet the donor's requirements for each scholarship, you will be ineligible to receive the spring portion of your scholarship.
