What is a Student Educational Plan?

A Student Educational Plan (SEP) is a guide on how to complete educational goal(s) at and beyond Moreno Valley College (MVC).

How does it benefit me?

You wouldn’t head out on a vacation without directions would you? So, don’t begin your journey at MVC without directions on how to successfully complete your educational goals. Students without an educational plan run the risk of taking unnecessary courses.

Why do I need one?

Students will make multiple stops on the educational journey and use multiple resources to reach graduation. A good map can guide the way and help avoid pitfalls. In addition to being a great resource, programs (financial aid, EOPS, Veterans Services, etc.) require students to have a current SEP.
