

2026-2027 FINANCIAL AID DISBURSEMENT SCHEDULE

Student Financial Services will check units approximately two weeks before the listed dates.
 Disbursement dates are contingent on funding and are subject to change without notice.
 Disbursements for late start classes will be sent on the first disbursement date after the start of class

IMPORTANT REMINDERS

- Changes you make to the FAFSA or admissions application, including changing your Home College location, **WILL** cause delays to your financial aid eligibility and disbursements, if eligible.
- Grant disbursement amounts are based on enrollment intensity/status and eligibility.
- The California College Promise Grant (CCPG) is awarded automatically to eligible students. The CCPG is not issued as a cash payment; it waives the \$46 per unit enrollment fee.
- Cal Grant, Chafee Grant and Direct Loan recipients must be enrolled in at least 6 units and must have an approved academic program.
- Remaining in all of your classes is critical to avoid repayment of funds received; if you receive payment for a class and drop, you may be required to repay a portion, or the entire grant.
- Financial aid status updates are sent to your RCCD student email. Check your RCCD student email regularly to stay informed.
