

How to Assist Undocumented Students

If a student discloses that they are undocumented and in need of support related to their citizenship status, please do the following:

CONNECT THEM

UndocuLiaisons are California Community College contacts that can provide answers and support for undocumented students of all nationalities and backgrounds. At MVC, encourage students to reach out to:

- Dr. Sharaf Williams - WC 155
- Dean Sandra Martinez - WC 121
- Director Juan Carlos Ponce - WC 112
- Director Danielle Guise - WC 131
- Carolina Arriaga-Sosa - WC Financial Aid
- Belinda Flores-Castro - STEM 100D

GUIDE THEM

The DREAM Center is a physical space available to students who need support and guidance related to their citizenship status. Students are encouraged to visit this space during service hours.

- Welcome Center Building
 - Common Grounds Area, Room 173
 - Hours are Fridays, 10 am - Noon
- Campus maps are available online at mvc.edu/maps.

INFORM THEM

All UndocuLiaisons have printed resource packets to share with students.

Plus, additional electronic resources can be found on the MVC website at mvc.edu/dreamers.

AFFIRM THEM

Moreno Valley College is proud to promote an **inclusive, welcoming environment**.

Regardless of citizenship status or ethnic background, students are welcome at MVC and support services are available.

You don't need to have all the answers; simply refer them to those trained to assist.

FYI

1. The US Constitution protects the right of all individuals, including noncitizens, to remain silent.
2. No student information may be released to law enforcement officials without VPSS approval. FERPA restrictions remain active at all times.
3. MVC is prohibited from enforcing federal immigration laws and will uphold state laws SB 54 and AB 21.
